

DON'T SIGN AWAY EDUCATIONAL FREEDOM

A petition is circulating to introduce a measure on the ballot in November to place **limits on Arizona's school choice programs.**

While it claims to increase “accountability,” the proposal actually:

Reduces parental choice

Adds government control over education decisions

Creates barriers for families and schools

IF ASKED TO SIGN, PLEASE DECLINE.

<https://azchristianschools.org/decline-to-sign/>

Protect educational freedom and keep decisions where they belong - with families.

ABOUT AZCEC:

The mission of AZCEC is to preserve and advocate for the rights and freedoms of Arizona parents to choose and have access to the type of education that best fits their child. Visit azchristianschools.org for more info.
