

## Alex Kolodin for Secretary of State

Click on links below for more information

### Duties of Secretary of State:

The highest profile duty of the office is oversight and administration of secure and accurate elections. The Secretary of State serves as Chief Election Officer for the State. One of the goals of the office is to register more voters and encourage their active participation in elections. As part of elections administration, the office certifies: voting devices, election results, candidates and measures to the ballot, as well as the results of statewide elections.
